

Parent/Guardian;

Central Community High School adheres to an Integrated pest Management Plan. Although our use of pesticides will be limited, it will be necessary on occasion.

In accordance with the Illinois School Code requirements, if you wish to be notified of such usage, you must complete a parent/Guardian Notification Form. This form is available in the school office. By being placed on the roster of parents/guardians to be notified, you will be contacted 48 hours in advance of the usage of pesticides at our facility.

Please feel free to contact me at 526-4510 if you have any questions or require any additional information on this matter.

Thank you.
