

Dear Community Members,

On behalf of the **CSC (Committee to Support Central)** and **PAWS (Parents & Alumni Working to Support Students)** we invite you to participate in our simplified donation program aimed at raising funds for the students of Central Community High School. This program combines several of our fundraising efforts into one, reducing the need to contact generous donors like you multiple times throughout the year. We appreciate the amount of support that the community provides and would like to make it easier for you to be involved with our school improvements. **Please select one of the 5 options below to choose a sponsorship level that is right for you.**
